

# Free Bresha Meadows

## Days of Action: Oct 5th and 6th

### Who is Bresha Meadows?

Bresha Meadows of Ohio was just 14 years old when she was incarcerated and faced a charge of aggravated murder for defending herself and family against the unrelenting terror and abuse of her father. She is now in juvenile detention.

### What's happening on October 5th & 6th?

Bresha has an important court hearing on Thursday, Oct 6th when the prosecutor will determine if Bresha will be prosecuted for a crime (possibly **charged as an adult**) instead of given the support & safety that she needs.

We act in solidarity with Bresha and demand that she is returned home to her family and that all charges against her are dropped. We call on #SayHerName/ #BlackLivesMatter supporters, victim advocates, feminists, racial justice activists, young people, and people of faith to **take action** in solidarity with Bresha and all survivors of domestic & sexual violence who are criminalized for surviving.
